

Draft Council Plan

Incorporating Municipal Health and Wellbeing Plan

2021 - 2025

Mansfield Shire Council acknowledges the Taungurung people as the traditional owners of the land upon which our Shire is located. We pay our respects to the Taungurung elders, past, present and future and extend that respect to all Aboriginal and Torres Strait Islander peoples.

Introduction

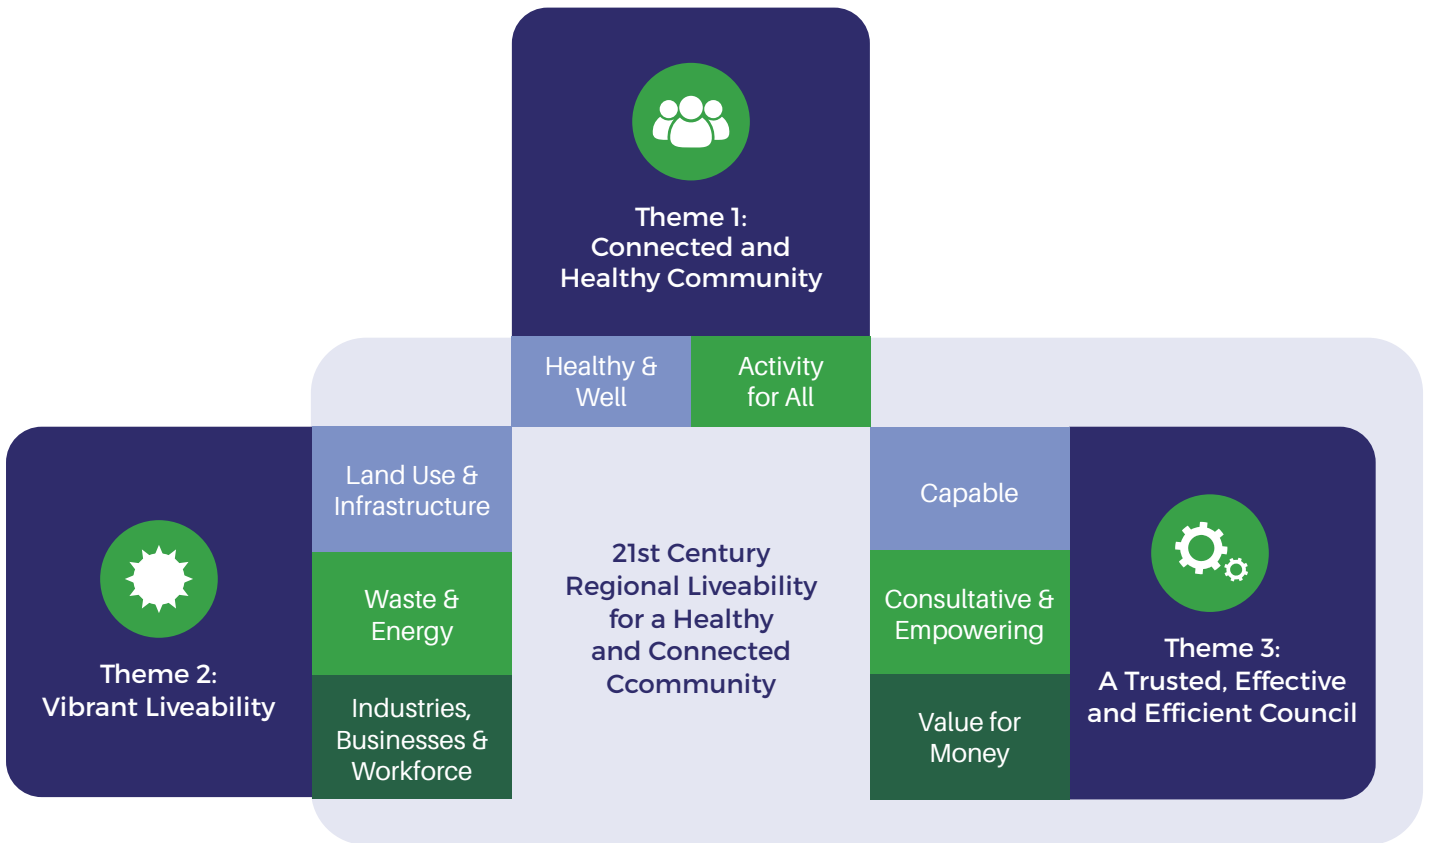

This document is the key strategic document to guide Council’s decision-making over the next four years.

It goes hand in hand with the Mansfield Community Vision, articulating the role Council will play in leading, supporting and advocating for the best possible outcomes for all of the Mansfield community.

The Council Plan outlines the role Council will play in the health and wellbeing of the community by incorporating the Municipal Health and Wellbeing Plan. The Health and Wellbeing Plan has a focus on those key factors that contribute to better health and wellbeing outcomes while promoting and encouraging healthy living and healthier lifestyles.

This Council Plan is informed by the Mansfield Community Vision, and has been developed alongside it. It is the result of a deliberative engagement process which has involved a broad, cross section of the community, including those who live, work, play and conduct business in the Shire.

The engagement process actively brought together the many and varied of our community. We have been actively engaging our community in many ways, including a deliberative panel. This engagement informs the Mansfield Community Vision, the Council 10 Year Financial Plan and this Council Plan.

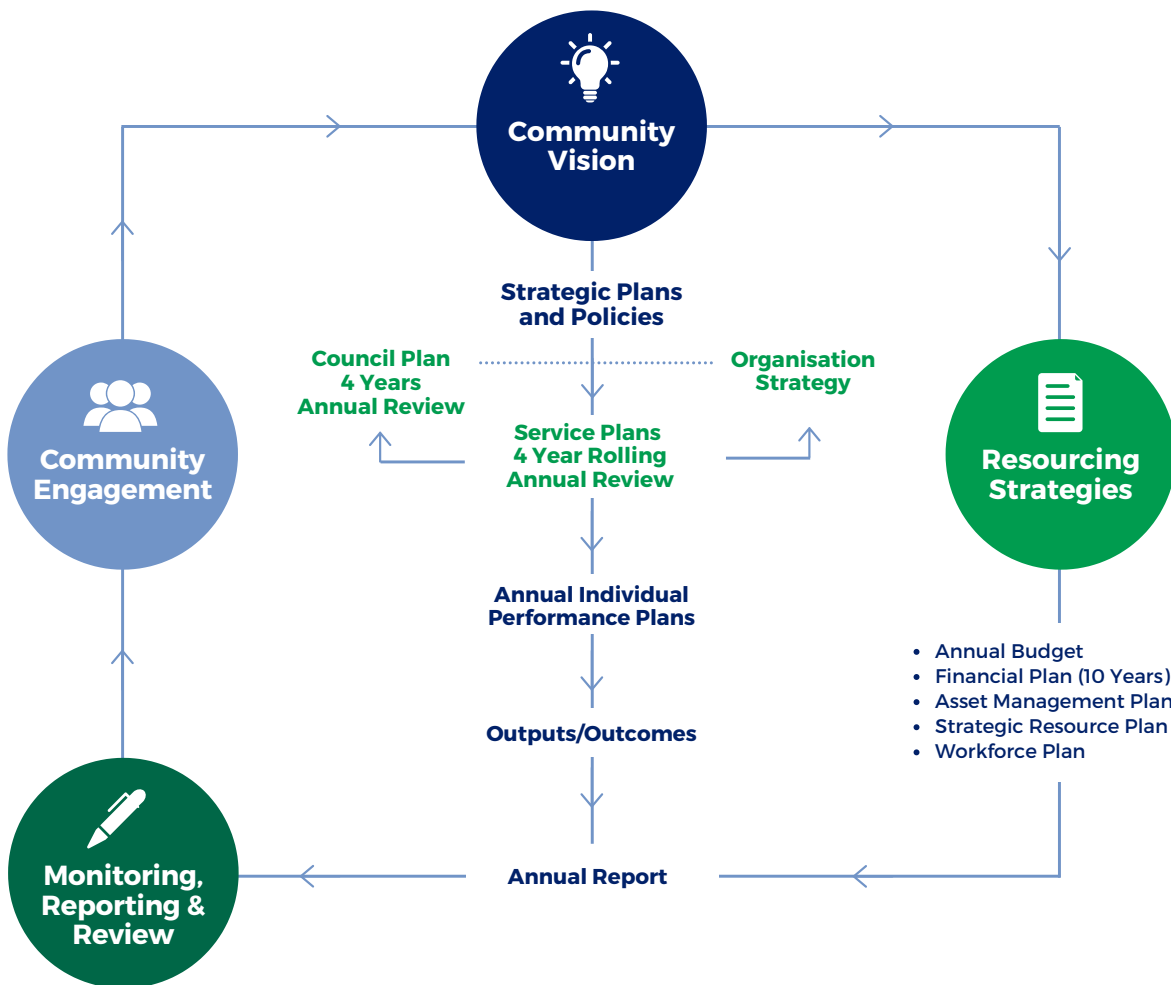

About the Council Plan

Under the Local Government Act 2020, the Council Plan must be integrated into the medium and long-term planning and delivery of services to the community.

This Council Plan:

- ▶ is informed by the Community Vision Mansfield 2040;
- ▶ will be supported by ongoing community engagement, and other key Council strategic plans;
- ▶ is supported by a range of other longer-term strategies and policies and a 10-year Financial Plan which describes the financial resources required to deliver the Council Plan and other strategic plans.

The Financial Plan also shows how the financial sustainability of Council will be achieved and maintained over the 10 year period. It helps sets the boundaries for available resourcing and funding activity. However, within these boundaries, the Financial Plan may adjust key levers and areas of focus to reflect community and Council’s long-term aspirations.

The above diagram outlines the strategic planning framework for local government and shows where the draft Council Plan sits to deliver our key priorities over the next four years.

Message from the Mayor

This is the first strategic plan of the new Council. It outlines our direction over the next four years.

On behalf of the new Council, I am proud to share the Mansfield Shire Council Plan 2021-2025. The Council Plan outlines our strategic direction for the next four years. It details our commitment to the community. It describes what we will deliver, how we will deliver it and how we will measure our performance.

The Council Plan guides the organisation as it makes decisions and delivers on strategy throughout the next four years. It is a responsible Plan, focusing on getting back to basics. By building our capacity to deliver on the Council's core services, we grow and develop our Shire from a position of strength.

We have had significant population growth over the past 5 years. We welcome our new residents and we understand what makes our Shire an attractive place to live, work and play. The Council Plan outlines how we protect the vibrant liveability of our Shire - the natural beauty and amenity that has made it so attractive in the first place.

The Council Plan has been shaped by the community and goes hand in hand with the Mansfield Community Vision, articulating the role Council will play in leading, supporting and advocating for the community. It includes the Council's Municipal Health and Wellbeing Plan, acknowledging the many factors that influence the health and wellbeing of a community. We are committed to a connected and healthy community. The integration of the Municipal Health and Wellbeing Plan is supported by strategic objectives that maximise the health and wellbeing of the individuals and communities we serve.

Our decisions are guided by a financially responsible approach. We take on only what we can deliver with confidence. We empower our community through delivering on core services. What we do, we aim to do well. Our decisions are considered and our projects are effective. The Plan demonstrates our position as a trusted, effective and efficient Council.

As we deliver on our services, we listen to the community and we are shaped by its expectations. The Council Plan 2021-2025 enables us to understand, respond and address community issues - those existing and those that may arise. The Plan outlines our commitment to a consultative Council that represents and empowers its community. We are a customer service organisation.

We recognise the challenges presented over the past few years. From bushfires to the COVID-19 pandemic, we have had our fair share of adversity as a community. However, from adversity comes opportunity. We are a can-do community and our Council operates in a way that respects and honours our can-do attitude. We hope you find this reflected in the 2021-2025 Council Plan.

Our Shire

Mansfield Shire is home to the dramatic landscapes of Victoria’s High Country. Visitors and locals agree you can really sense the personality of the place – it’s about lifestyle, farming, all things outdoors and a ‘can-do’ attitude.

Our Shire is the gateway to Mt Buller and Mt Stirling Alpine Resorts, the Alpine National Park and the second largest inland waterway in Australia - Lake Eildon. Five major river systems have their headwaters in our Shire.

We are home to strong towns and villages that harness the natural beauty of our farmland, waterways and mountains. These include Ancona, Barjarg, Bonnie Doon, Goughs Bay, Howqua, Jamieson, Kevington, Macs Cove, Maindample, Merrijig, Merton, Sawmill Settlement, Tolmie and Woods Point.

Our Shire’s strong economy is underpinned by agriculture, tourism and construction and property. It is supported by a diverse range of commercial and service sectors.

Who we are

Mansfield has a growing population. Last year the population increased by 3.6%, which more than doubled the average population growth of regional Victoria.

The Council supports a small ratepayer base with a large geographic footprint. A large proportion of our rate base reside outside of our Shire. We have become a location of choice for families relocating to a rural setting.

9,474	Population estimate for Mansfield Shire as of the 30 June 2020
3.26%	Population growth since the previous year
1.30%	Population growth in Regional Victoria
47	Median age
22%	Couples with children
14%	Older couples without children
11%	Overseas born
3,829	Jobs in Mansfield Shire
3.4%	Unemployment rate
4,384	Residents employed (including those that travel outside of the Shire for work)
54.1%	Lived in the same address over 5 years
1.2m	People visiting annually

Who we are - continued

58 Working age (15-64)

44 Employed

28 Drive to work

14 People live in a single occupancy dwelling

22 People receive Government pension and allowances

40 Completed year 12

Health and Wellbeing

Health and Wellbeing

Council recognises that the health and wellbeing of individuals, families and the community is a key factor to achieving its aspirations for the Mansfield Shire.

Council's role, along with its many partners, is to protect, improve and promote the health and wellbeing of the community.

Incorporating our health and wellbeing plan into our Council Plan accords with *Section 26 of the Public Health and Wellbeing Act 2008*. This approach acknowledges that many factors influence health and wellbeing.

Victoria's municipal planning framework, Environments for Health, promotes health and wellbeing through social, built/physical, economic and natural environments. Council has demonstrated its commitment to improving and influencing each of these areas.

We recognise that community health can only be achieved through strong partnerships that work with us to collectively address key health and wellbeing issues that impact the Mansfield Community.

Many factors influence the health and wellbeing of a community and we highlight these throughout the Council Plan.

This symbol denotes actions related to the Municipal Health & Wellbeing Plan.

Health and Wellbeing Data

To improve the health and wellbeing of Mansfield Residents we:

1. Prevent family violence

- ▶ More women than men experience family violence.
- ▶ In Victoria, 6.6% of women reported experiencing family violence.
- ▶ About 4.9% of our population reported experiencing family violence.
- ▶ There were 11.1 family violence incidents per 1,000 people. The state average is 9.3.
- ▶ The rate of reported stalking, harassment and threatening behaviours in Mansfield Shire was higher than the Victorian average (2019).

2. Increase healthy eating and active living

- ▶ 15% of adults in Mansfield are consuming sugar sweetened drinks daily which is more than the average Victorian adult (10%).
- ▶ 17% of adults in Mansfield are obese and 1% are sedentary. We know we can reduce this through healthier eating and increasing physical activity.
- ▶ Only 8% of adults eat the recommended amount of vegetables per day. 44% met the fruit consumption guidelines.

3. Reduce harmful effects of alcohol, tobacco and other drug use

- ▶ 18% of adults smoke daily, higher than the Victorian average of 12%.
- ▶ 54% of adults (Victoria 43%) have an increased risk of injury from a single occasion of drinking alcohol.

4. Improve mental health & wellbeing

- ▶ 16% of adults reported having high or very high levels of psychological distress.
- ▶ 7.5% of residents experience mortgage stress.

5. Mitigate health impacts of a changing environment

- ▶ The number of extreme heat days is increasing.
- ▶ Longer fire seasons with more very high fire danger days.
- ▶ Droughts and floods more common changing ecology and land use.

Implement the Lake Eildon Masterplan Sewerage recommendation	Advocate

Theme 3: A Trusted, Effective and Efficient Council

Theme 3: A Trusted, Effective and Efficient Council

Our ratepayers and residents expect us to be transparent and responsive, get the basics right and deliver value for money.

Strategic Objective 6: Council possesses in-house and outsourced capability to meet community expectations

- ▶ Strategy 6.1 Use and gain knowledge of our community to make good decisions
- ▶ Strategy 6.2 Building organisational capacity through its people

 Initiatives	 Our Role
Modernise engagement practices to extend reach into community	Service
Progress the Digital Transformation Strategy	Service
Enhance key organisational capabilities through effective workforce planning	Service
Provide Councillors with professional learning and development opportunities that enhance their skills and knowledge of local government	Service
Strive to continuously improve Council’s customer service experience.	Service

Theme 3: A Trusted, Effective and Efficient Council - continued

**Strategic Objective 7
Financial sustainability and value for money**

- ▶ **Strategy 7.1** Increase Council’s financial resilience by utilising opportunities to derive own-source of funding income and optimising costs of delivering services

 Initiatives	 Our Role
Identify methods of providing greater value for money from Council-delivered services via rolling cycle of service reviews	Service
Grow other revenue through grant applications	Service

Theme 3: A Trusted, Effective and Efficient Council - continued

Strategic Objective 8

A consultative Council that represents and empowers its community

- ▶ Strategy 8.1 Increase community trust in Council to make informed decisions with “no surprises”
- ▶ Strategy 8.2 Develop capacity and capability to advocate powerfully for the most important interests of the Mansfield community 🍀

 Initiatives	 Our Role
Provide the community with transparent information about Council plans, strategies and performance	Service
Provide community opportunities to be involved in key Council decisions	Service
Advocate for the delivery of projects such as the Lake Eildon Masterplan, Mansfield Station Precinct, Mansfield Emergency Services Precinct, Lakins Road Industrial Precinct, a Year-around Aquatic Facility in Mansfield, Lords Reserve Community Hub and redevelopment of the Resource Recovery Centre	Advocate

How we'll know we've been successful

As we move through the four-year cycle, we review our performance in many ways. Here are some of the ways we will measure our performance.

 Indicator	 Target of Desired Trend
The community satisfaction survey rating for the appearance of public spaces in Mansfield Shire	Increase and maintain a rating of more than 80
The length of gravel roads graded each year in the Mansfield Shire	Increase
The percentage of grant funds that make up the total Mansfield Shire Council budget	Increase
The length of concrete and gravel footpaths in the Mansfield Shire	Increase
Number of visitors to the Mansfield Shire	Increase
Planning applications decided within legislated timeframes	Increase
Percentage of the Mansfield Shire's kerb side collection waste that is not directed to landfill	Increase
The community satisfaction survey rating for Council's performance	Improve
The community satisfaction survey rating for Family support services	Increase
